

## OFFERED TO MEMBERS OF SPPHA STATE GROUPS ONLY. ARE YOU COVERED??

If you are not a member of your local Pony Club or EA, you are more than likely not covered for Equine Personal Accident insurance.

OK, we can hear you saying "But insurance of this kind is so expensive, I can't afford it!" Not anymore! This generous offer has only been extended to the six state Standardbred groups that come under the SPPHA logo, including SPPHA NSW.

Equestrian Sports Insurance and the Australian Horse Industry Council are pleased to announce that all members of the State Standardbred Associations are able to acquire comprehensive 24 hour / 7 day a week Personal Accident Insurance at the special rate of **\$95 (Adult) and \$75 (under 18) per annum**.

Highlights of this insurance include:

- Capital Benefit up to \$125,000;
- Weekly Income benefit up to \$1,250 per week;
- Significant cover for broken bones;
- All claims processed in Melbourne by people with Horse experience.

*\*\*full details of cover and exclusions can be found in the Product Disclosure Statement (PDS) on the website.*

Nobody likes to think of accidents but they do happen and on a recent weekend 13 people in Victoria required hospital treatment after incidents involving horses.

This insurance can be purchased directly online at <https://www.equestriansportsinsurance.com.au/>.

Just answer yes that you are an AHIC Affiliate and select Standardbreds and you are on the way. This replaces the need for states to gather the information from members and send the information to ESI.

As an added bonus, \$10 from each policy will flow to the State Standardbred Association that you are a member of to assist your own members.

ESI have subsidised the memberships of the State Standardbred Associations to the Australian Horse Industry Council to make this pricing possible.

### **DO YOU COACH OR TRAIN PEOPLE IN THE EQUESTRIAN INDUSTRY? DO YOU RE-EDUCATE STANDARDBRED HORSES?**

Are you covered? Did you know that even at the odd clinic to a local club, you may be liable should an attendee be injured?

If you do undertake these activities you should register an interest in the ESI Coach's and Trainer's Insurance.

By registering your interest, you are not making a commitment to buy but you will be amongst the first to read the Product Disclosure Statement and cover levels available to you.
