### ***Standardbred Awards***

Fairfield Harness Racing Club is committed to the promotion of life after racing for standardbreds. The standardbred is a versatile breed known for its quiet nature and is becoming increasingly popular for more than racing. Standardbreds are ideal for dressage, showing, light pleasure harness, endurance, pony club and much more.

As well as taking part in the main competition, standardbreds that enter will be eligible for additional ribbons on the day. The NSW Standardbred Pleasure and Performance Horse Association have generously donated these ribbons, and we thank them for their support.

***1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> Place Standardbred in each of the 4 tests:***

All horses competing in the tests will compete together in the open classes and will be eligible for any open ribbons they earn. In addition to this, the top three standardbreds in each test will be awarded these extra ribbons.

***High Score Award:***

This ribbon is to be awarded to the standardbred with the highest score over all on the day.
